Here are some important things You must know when considering this insurance.

Travel insurance is there to protect You against unexpected circumstances like medical emergencies, Trip cancellation and Lost baggage.

Each travel insurance Policy is different, and We want to ensure You understand how Our travel insurance Policies work so that You can choose the right cover for Your circumstances.

1. Important note on COVID-19

This Policy provides cover for some claims that Arise from COVID-19. Not all circumstances related to COVID-19 are covered. The cover We provide specific to COVID-19 is found under [Benefit 27](#) and [Benefit 28](#) on pages 85 to 89. Please carefully read these benefit sections to ensure the cover We offer is right for You.

Here is a summary of key circumstances related to COVID-19 that You are covered for under this Policy:

- Medical expenses: You are covered for Your Overseas emergency medical, Hospital and medical evacuation expenses related to COVID-19.

- Trip cancellation or rearrangement: **You** are covered if **You** have to cancel or rearrange **Your Trip** because **You** or someone else named on the **Certificate of insurance** is diagnosed with **COVID-19**.
- Additional travel expenses: **You** are covered for **Your** additional travel expenses if **You** are diagnosed with **COVID-19** during **Your Trip**. This includes **Your** additional accommodation costs where **You** are directed by a government authority to isolate or quarantine.
- Family emergency: **You** are covered for **Your** cancellation or rescheduling expenses if a **Close relative** residing in Australia is unexpectedly hospitalised or dies from **COVID-19** during **Your Trip**.
- Emergency childcare: **You** are covered for **Your** reasonable additional costs of caring for **Your Dependants** travelling with **You** if **You** are unable to care for them because **You** have been diagnosed with **COVID-19** during **Your Trip**.

Cover is subject to and can be affected by other **Policy** terms, conditions, exclusions and limits of cover described in this PDS. Cover specific to **COVID-19** is found on pages 85 to 89.

Here are some examples of claims that are excluded under this **Policy**:

- There is no cover if **You** are diagnosed with **COVID-19** or test positive to **COVID-19** within 72-hours of purchasing **Your Policy**.
- There is no cover for claims related to border closures, lockdowns, lockouts or other **Travel restrictions** imposed within Australia or **Overseas**. However, under this circumstance **We** may provide **You** with a partial or full refund of **Your** premium.
- There is no cover if **You** cannot go on **Your Trip** or **Your Trip** is disrupted because someone else is diagnosed with **COVID-19** or becomes unwell because of **COVID-19** unless that person is named on the **Certificate of insurance**. For example, there is no cover if **You** cannot travel or wish to cut **Your Trip** short because a **Family** member or business partner tests positive or becomes unwell with **COVID-19** if that person is not named on the **Certificate of insurance**. However, under this circumstance **We** may provide **You** with a partial or full refund of **Your** premium.
- There is no cover if **You** cannot go on **Your Trip** or **Your Trip** is disrupted because **You** are deemed to be a close contact of someone who has been diagnosed with **COVID-19** unless the person who tested positive is named on the **Certificate of insurance**. For example, if **You** are a close contact of a **Family** member who is not named on the **Certificate of insurance**, there is no cover. However, under this circumstance **We** may provide **You** with a partial or full refund of **Your** premium.
- There is no cover for claims related to cruises unless the optional Cruise cover has been purchased by **You** and is listed on **Your Certificate of insurance**. In some circumstances the optional Cruise cover may not be available.
- There is no cover for the cost of **COVID-19** testing other than during **Your** hospitalisation.

Please carefully read the exclusions to [Benefit 27](#) and [Benefit 28](#) on pages 85 to 89 and the [General Exclusions that apply to all benefits](#) on pages 90 to 95 to ensure the cover **We** offer is right for **You**.

2. This Policy is only available

For Australian citizens and permanent residents of Australia, if:

- ✓ **You** currently reside in Australia; and
- ✓ **You** hold a valid Australian Medicare card beyond the period of **Your Policy**; and
- ✓ **You** purchase **Your Policy** before **You** commence **Your Trip** or **You** satisfy all of the requirements for purchasing a **Policy** while **You** are already **Overseas**; and
- ✓ **Your Trip** starts and ends in Australia; and
- ✓ **You** meet any other eligibility criteria **We** apply in the application process.

For temporary residents of Australia, if:

- ✓ **You** are a non-permanent resident who holds a valid Medicare card or are covered by an Australian Private Health Insurance **Policy** that satisfies the government health insurance requirements for **Your** visa type and remains valid beyond the period of **Your Policy**; and
- ✓ **Your** visa remains valid beyond the period of **Your** return; and
- ✓ **You** have a **Home** in Australia to which **You** intend to return; and
- ✓ **Your Trip** starts and ends in Australia; and
- ✓ **You** hold a return ticket to Australia; and
- ✓ **You** meet any other eligibility criteria **We** apply in the application process.

For all travellers on this Policy

- In the event of a medical repatriation from **Overseas**, **We** will return **You** to Australia.
- Medical expenses incurred once **You** have returned to Australia are not covered on this **Policy**. It is therefore important that **You** ensure **You** have access to long term medical care in Australia.

3. If You are already Overseas

If **You** left Australia without travel insurance or if **Your** travel insurance has expired (even if it was issued by another insurer), **We** may be able to help.

You may be able to purchase a Standard Saver, Comprehensive or a Snow Sports Plus **Policy** if **You** are already **Overseas** at the time **You** purchase the **Policy**, provided **You** meet all of the following requirements:

- **You** have been **Overseas** for less than 14 days, or have been insured under a travel insurance policy since **You** left Australia that is current or has been expired for no more than 14 days; and
- **You** are an Australian citizen or permanent resident normally residing in Australia. Individuals on an Australian temporary resident visa including those on a working holiday visa or temporary visitors including those on a tourist visa, are not eligible to purchase this **Policy** after departing Australia; and

- You hold a valid Australian Medicare card; and
- You have a **Home** to which You intend to return; and
- Your **Trip** ends in Australia; and
- You are aged 65 years and under at time of purchase; and
- You declare to **Us** at the time of purchase that You are already **Overseas**; and
- We agree to issue You a **Policy** and specify Your status as already **Overseas** in the **Certificate of insurance**.

Due to the ongoing **COVID-19 Pandemic** there may be circumstances where **We** are not able to offer You a **Policy** if You are already **Overseas**. You will be covered if You meet each of the above criteria and Your **Certificate of insurance** specifies that You were **Overseas** at the time of purchase.

Our **Basics Policy** and **Frequent Traveller Saver Policy** are not eligible for purchase under any circumstance if You are already **Overseas**.

Policies purchased while You are already **Overseas** are subject to:

- A 48-hour no-cover period which applies to all benefits (there is no cover under any section of the **Policy** for any event that **Arises** within the first 48 hours of purchasing Your **Policy**).
- A \$500 **Excess** for all claims except where the **Benefit Excess** is already \$0.
- The other applicable **Policy** terms, conditions, exclusions and limits of cover described in this PDS.

4. It is Your responsibility to read this Product Disclosure Statement (PDS) and decide whether this insurance suits Your needs

Before You buy this **Policy** You must (and **We** rely on You to) read this PDS in full to decide if the cover **We** offer is right for You. You must carefully consider:

- When You are covered;
- What You are covered for;
- Any limits to the cover; and
- Whether this insurance is right for You and Your circumstances.

Your **Policy** is made up of this PDS, the **Certificate of insurance** and any other change to the terms of the **Policy** otherwise advised by **Us** and agreed to with You in writing (such as an endorsement or a Supplementary PDS) which may vary or modify the above documents. Together they form Our agreement with You. All benefits are subject to the **Policy** terms, conditions, exclusions and limits of cover described in this PDS.

5. Medical conditions, pregnancy, changes to health and medical screening

If **You** have a **Medical condition** or **Pregnancy condition**, **We** may be able to provide **You** with cover.

You can complete a medical screening if **You** have or have had a **Medical condition** or **Pregnancy condition** within the last 3 years prior to **Your Policy** purchase date, or experience changes to **Your** health including new **Medical conditions** from the date **You** purchase **Your Policy**, up until the date of departure for **Your Trip**.

See [Medical Conditions Cover](#) on page 12 and [General Exclusions that apply to all benefits](#) on pages 90 to 95 for further information on **Our** medical screening process and other terms, conditions, exclusions and limits that apply.

6. You must take all care to protect Your possessions

There are times when **We** will not pay if **You** have not reasonably looked after **Your Luggage and personal effects**. For example, **We** will not pay if **You** transport **Your** jewellery, computer or certain other items in the cargo hold of the airplane or other modes of transportation. Similarly, **We** will not pay if **Your** items are left **Unsupervised** or in a **Public place** such as a beach or café or in a motor vehicle overnight. This is not a complete list of circumstances when **We** will not pay if **You** do not reasonably protect **Your** possessions. See [Benefit 14: Luggage and Personal Effects](#) on page 60 for other ways **You** must reasonably protect **Your** possessions.

You must report a theft as soon as practicable, but preferably within 24 hours to the police or an office of the bus line, airline, shipping line or rail authority **You** were travelling on when the theft occurred. **You** must prove that **You** made a report by providing **Us** with a written statement from whomever **You** reported it to.

7. Changing dates, cooling off, cancellation & refund policy

We are flexible when it comes to **You** changing or cancelling **Your Policy**. However, **You** cannot change or cancel **Your Policy** if:

- **You** have made a claim or intend to make a claim, or
- **You** have started the **Trip**, even within the 25 day cooling off period, or
- **You** have exercised any of **Your** rights or powers under the **Policy** such as using **Your** travel insurance **Policy** to obtain a visa or entry into a country.

Change of travel dates

You can change **Your** travel dates before **You** depart or whilst on **Your Trip**. **We** do not charge a 'change fee' for changing travel dates. Additional costs may apply for additional days of cover (including pre-departure days).

25-day money back guarantee

We offer a money back guarantee up to 25 days if **You** have not started **Your Trip** and have not used any of **Your** rights under the **Policy** (e.g. **You** have not made a claim or used **Your Policy** to obtain a visa). We have extended this money back guarantee to circumstances where **You** cannot go on **Your Trip** for a reason related to **COVID-19** that is not covered under this **Policy**.

You have a full 25 days from the purchase date of the **Policy** (as set out in the **Certificate of insurance**) to make sure **You** are happy with every aspect of **Your** Fast Cover Travel Insurance **Policy** and in accordance with **Our** regulatory obligations. This is known as the “cooling off” period. During this time, **You** may cancel the **Policy** simply by contacting **Us** and **We** will give **You** a full refund. If **You** decide to cancel **Your Policy** outside of this cooling off period, **You** may be eligible for a partial refund as described below.

Cancellation and refunds

How much **You** are refunded if **You** cancel **Your Policy** depends on when **You** cancel and what type of **Policy** **You** have.

If You cancel:	Basics Policy	Domestic Plus, Standard Saver, Comprehensive, Snow Sports Plus & Frequent Traveller Saver Policies
Within 0 to 25 days from the purchase date of Your Policy , provided Your Trip has not started	100% refund	100% refund
Within 26 to 366 days from the purchase date of Your Policy , provided Your Trip has not started*	70% refund *	60% refund *
After Your Trip has started*	No refund *	No refund *

* Special cancellation rules apply if **Your Trip** is affected by **COVID-19**:

COVID-19 cancellations

If **You** are unable to start **Your Trip** due to a reason related to **COVID-19** that is not covered by this **Policy**, **You** can change **Your** travel dates or cancel **Your Policy** at any time for a full refund provided **You** have not made a claim for some other reason.

Case by case considerations

Should **Your** circumstances not fit neatly into the scenarios **We** have outlined, **You** are welcome to email info@fastcover.com.au or call **Us** on [1300 409 322](tel:1300409322) to discuss what **We** may be able to do to assist **You**.

8. Your Duty to take reasonable care not to make a misrepresentation

Before **You** enter into this contract of insurance, **You** have a duty to take reasonable care not to make a misrepresentation. **You** have a similar duty when **You** ask **Us** to vary, extend or reinstate

the insurance. What that means is that **You** need to take reasonable care to provide honest, accurate and complete answers to any questions that **We** ask.

Specifically, when **You** ask **Us** to vary, extend or reinstate **Your** insurance, **You** need to take reasonable care to review any information that **We** provide to **You** for **Your** confirmation and to inform **Us** of any changes, where the information is no longer honest, accurate and complete.

If **You** are not sure of the answers to any of **Our** questions, or whether the information **You** previously provided remains honest, accurate and complete, **You** should take the time to check and find out. It is also important to understand that, in answering the questions and checking the information, **You** are answering for **Yourself** and anyone else to whom the questions apply.

As **We** use **Your** answers to decide what insurance **We** will offer, to calculate **Your** premium, and to assess any claim **You** make, it is essential that **You** contact **Us** if **You** have any doubts.

If **You** do not take reasonable care in answering **Our** questions, or to inform **Us** of any changes, **You** may breach **Your** duty. If that happens, to the extent permissible by law, **Your Policy** may be cancelled, or treated as if it never existed, and any claim may be denied or not paid in full.

If **Your** circumstances make it difficult for **You** to work out how to answer any of **Our** questions, or **You** are not clear how to explain **Your** situation to **Us**, **You** should contact **Us**.

9. Important notice regarding Your obligations and Our rights

If **You** do not meet **Your** obligations under **Your Policy** terms or an exclusion or limitation applies, **We** may refuse or reduce what **We** pay in relation to a claim and/or cancel **Your Policy**, subject to applicable law which may restrict **Our** rights in certain circumstances. The result can depend on the circumstances as the law can be complex.

Of note, **Our Policy** terms (including exclusions and limits) and rights in relation to them are subject to and will be applied in accordance with the Insurance Contracts Act 1984 (Cth). Other laws can also apply such as the Corporations Act 2001 (Cth) and the Australian Securities and Investment Commissions Act 2001 (Cth) and **You** need to seek **Your** own advice regarding all relevant legal rights **You** may have. A term (or part of a term) of **Your Policy** will be applied to the extent it is not unenforceable under applicable law.

10. General advice

Any advice provided in this PDS is general only and does not take into account **Your** individual needs, objectives or financial situation. **You** should carefully read this document before buying to decide if the product is right for **You**.

About this Policy

Your Certificate of insurance

When **You** take out travel insurance with Fast Cover **You** will be issued with a **Certificate of insurance**. The **Certificate of insurance** forms part of **Your Policy**. It will, amongst other things, detail the insured travellers and **Dependants**, the type of **Policy** **You** have purchased, **Your** destination

and dates of travel, any optional benefits selected by **You**, including any **Specified high value items** that **You** choose to cover, the premium, and any variations to the standard terms and conditions that apply specifically to **You** or **Your Policy**.

Period of insurance

The period **You** are insured for is set out on **Your Certificate of insurance** and varies depending on the length of **Your Trip** and the **Policy** type that **You** have purchased.

If **You** have purchased **Your Policy** before **You** departed Australia:

For Comprehensive, Snow Sports Plus, Standard Saver and Domestic Plus **Policies**:

- The cover for [Benefit 5: Trip Cancellation Expenses](#) begins from the time the **Policy** is issued.
- Cover for all other benefits begins on the date of departure as stated on **Your Certificate of insurance**.

For Basics **Policies**:

- Cover for all benefits begins on the date of departure as stated on **Your Certificate of insurance**.

For Frequent Traveller Saver **Policies**:

- The cover for [Benefit 5: Trip Cancellation Expenses](#) begins from the start date as specified on **Your Certificate of insurance**.
- Cover for all other benefits begins on the date of departure for each **Trip**.

If **Your Policy** was purchased while **You** are already **Overseas**:

- There is no cover under any benefit for the first 48 hours from the time the **Policy** is issued. This is **Your** “no-cover period”. This means there is no cover **Arising** from events that happen within the 48 hour no-cover period for all benefits under the **Policy**, except under [Benefit 27: COVID-19 Overseas Emergency Medical, Hospital and Medical Evacuation Expenses](#) and [Benefit 28: COVID-19 Trip Cancellation and Disruption](#), where there is a 72 hour no-cover period from the time the **Policy** is issued.
- Cover for all benefits begins immediately following **Your** no-cover period.

For all **Policies**:

- Cover ends on the date of return set out on **Your Certificate of insurance**, or the time the **Policy** otherwise ends in accordance with its terms, whichever happens first. The state listed on **Your Certificate of insurance** determines the time zone **We** use to determine **Your Policy**'s purchase date, departure date and end date.
- If **You** return **Home** early for any reason, cover from **Your Policy** will be suspended from the time **You** return to **Your Home** until the time **You** leave **Your Home** to continue **Your Trip**. **You** must have at least 14 days remaining of the **Period of insurance** as noted on **Your Certificate of insurance**. Following the resumption of **Your Trip** **Your Policy** will remain valid until the end date shown on **Your Certificate of insurance** or **Your** permanent return **Home**, whichever comes first. **We** will not pay any costs in relation to **Your** return to Australia unless the costs are covered by this **Policy**.
- If **You** return **Home** early for any reason and do not intend to do any further travel, **We** will not refund the unused portion of **Your Policy**.

Excess

When **You** apply for **Your Policy**, **You** can choose the **Excess** amount (except for a **Policy** purchased while already **Overseas**). **Your** premium will be affected by the **Excess** **You** choose. Selecting a higher **Excess** will reduce **Your** premium, while a lower **Excess** will increase it.

Your Policy Excess is listed on **Your Certificate of insurance**.

If **You** have purchased **Your Policy** while already **Overseas**, the **Excess** is \$500, and **You** cannot reduce this **Excess**.

The **Excess** is the amount **You** are required to pay or bear for each claimable event under **Your Policy**. If **You** make multiple claims arising from the same event, only one **Excess** will apply. However, if **Your** claims relate to separate, unrelated events, an **Excess** will apply to each claim, unless stated otherwise.

The **Excess** is deducted after any relevant **Depreciation** and/or limits have been applied to the claim amount.

Extending Your cover

Except as described below, **You** can apply to extend **Your** cover for **Your Trip** by contacting **Us** on or before **Your** original **Policy** expiry date. **We** will determine whether to extend **Your Policy** by (acting reasonably) considering all information available to **Us** at the time of the request. An additional premium may apply if **We** agree to extend **Your** cover for **Your Trip**.

Where **Your Trip** is necessarily extended due to an unforeseeable circumstance outside of **Your** control, cover may be extended free of charge until **You** are able to travel **Home** by the quickest and most direct route or for a period of six (6) months, whichever happens first. Please contact **Us** (see below) as the free extension must first be approved by **Us**.

Unless approved by **Us**, cover will not be extended:

- For any new **Medical condition** **You** suffered during the term of **Your** existing **Policy** or change to any **Medical condition** which is listed on **Your Certificate of insurance** as a covered **Medical condition**, or **Pregnancy condition**, if **We** reasonably determine that **You** should return to Australia for treatment (based on the information that is available to **Us** at the time) and **You** do not agree to do so, or;
- For any new **Medical condition** **You** suffered during the term of **Your** existing **Policy** or change to any **Medical condition** which is listed on **Your Certificate of insurance** as a covered **Medical condition**, or **Pregnancy condition**, unless:
 - **You** agree to take a further screening process, **We** agree to provide cover and **You** pay the additional premium (if applicable), and;
 - **You** agree that any ongoing medical treatment/advice, medication, test, investigation and/or related expense beyond the original return date that **You** or a reasonable person is aware of, will not be covered.
- Where **You** have not advised **Us** of any circumstances that have given (or may give) rise to a claim under **Your** original **Policy**; or
- Where at the time of extension **You** are aged 90 years or over.

Where **We** have agreed to extend cover, **We** will issue **You** with a new **Certificate of insurance**. The **Period of insurance** on **Your** original **Certificate of insurance** and **Your** new **Certificate of insurance** cannot exceed a maximum combined period of 24 months.

What You pay

The premium **You** pay is shown on the **Certificate of insurance**. **We** tell **You** the premium payable when **You** purchase the **Policy** and if **You** vary or extend cover. The premium payable can also be affected by any **Changes in health** that occur after **Your Policy** issue date and before **You** start **Your Trip**. The premium is calculated based on a number of factors, including the **Policy** **You** have chosen, **Your** age, where **You** are going to, the length of **Your Trip**, the time between purchase and departure, any covered **Medical condition**, **Pregnancy condition**, plus any options **You** have chosen. The amount **You** pay includes allowances for government fees, taxes and charges (including stamp duty and GST) and may include administration fees, which, if charged, will be listed on the **Certificate of insurance**.

Our Policies Explained

Fast Cover believes in making insurance fast and simple while providing **Our** travellers with great cover and value. **We** have put together a range of **Policies** that can cover a year-long adventure in Canada down to a weekend road **Trip** in Australia.

If **You** are the kind of person who likes to have broad cover, the Comprehensive **Policy** offers **Our** highest level of cover. For travellers who are more budget conscious but still want a high level of cover, **Our** Standard Saver **Policy** is a great choice. If **You** just want the essentials, then **Our** Basics **Policy** provides the necessary emergency assistance and medical cover with the option of adding luggage cover.

For travellers who love to ski and snowboard, **Our** Snow Sports Plus **Policy** includes cover for **Advanced terrain**, **Off-piste**, cat skiing, heli-skiing, **Backcountry** & snow mobiling. Some limits and conditions apply, see the [Snow Sports](#) section on page 25 for a full description.

If **You** are travelling in Australia, **Our** Domestic Plus **Policy** covers Cancellation, Luggage and Rental Vehicle Excess cover. It also covers **You** for **Snow sports** in Australia.

If **You** travel multiple times a year **Our** Frequent Traveller Saver **Policy** allows **You** to take an unlimited number of **Trips** in a 12-month period up to a specified number of days for each **Trip**. **You** can choose from 15, 25, 40 or 63 days and **You** have the option of adding cover for **Your**

spouse and **Dependant** children. Cover for travelling on a **Cruise ship** is automatically included with the Frequent Traveller Saver **Policy**.

Selecting countries You are travelling to

Enter the country **You** are travelling to. If **You** are travelling to more than one country, **You** will need to list all of those countries. Alternatively, **You** can choose one of **Our** four (4) regions: South Pacific, Asia, Europe and/or Worldwide. Refer to the website to see the list of countries covered in each region at fastcover.com.au/regions. A copy of the Countries/Destinations list can be downloaded from fastcover.com.au/regions, or obtained from Fast Cover, on request, at no extra charge. Cover is only available for the countries or region **You** have selected at the time of purchase and listed on **Your Certificate of insurance**. If **You** are in **Transit** through another country or region, **You** automatically have cover for up to 48 hours. If **You** plan to stay in any country or region for more than 48 hours **You** must select that country or region at the time **You** purchase **Your Policy**.

If **You** change **Your** travel plans, **You** can apply to **Us** to add a country or region to **Your Policy**.

Medical conditions cover

Overview

By way of basic overview, **We** do not cover any claims under the **Policy** benefits **Arising** from any **Medical condition** or **Pregnancy condition** that existed during:

- the period of 3 years prior to **Your Policy** issue date; or
- the period between the time of **Your Policy** issue date and the date of departure for **Your Trip** (other than for a claim under [Benefit 5: Trip Cancellation Expenses](#), relating to the cancellation or rescheduling of **Your Trip** between the time of **Your Policy** issue date and the date of departure for **Your Trip**),

unless **We** agree to list the relevant **Medical condition** or **Pregnancy condition** as covered on **Your Certificate of insurance**. If any **Changes in health** occur after **We** have listed any **Medical condition** or **Pregnancy condition** as covered and before the date of departure for **Your Trip**, the cover for those listed conditions are automatically excluded from the time the **Changes in health** occurred, unless **You** undertake an additional medical screening and **We** agree to list them as covered.

Any cover is subject to the other terms and conditions (including exclusions and limits) of the **Policy** which may otherwise affect cover. Any rights **We** have will only be exercised to the extent permitted by applicable law. See [General Exclusions that apply to all benefits](#) on pages 90 to 95.

After the date of departure for **Your Trip**, **We** will not agree to list a **Medical condition** as covered on **Your Certificate of insurance**.

No cover is provided under this **Policy** for any claims **Arising** from, or any way related to a **Medical condition** or **Pregnancy condition** which existed within the period of 3 years prior to the **Policy** issue date, of any person who is not named on **Your Certificate of insurance**, except as specifically considered as **Close relative conditions** under [Benefit 5: Trip Cancellation Expenses](#), [Benefit 6: Trip Disruption Expenses](#) or [Benefit 7: Trip Resumption Expenses](#).

What is a Medical condition?

A **Medical condition** means any bodily or physical **Injury**, physical defect, illness, disease or other medical or dental condition or sign or symptom of these things, the applicable person:

- required prescription medication for or has been prescribed medication from a **Medical practitioner** in writing for,
- sought or received medical advice from a **Medical practitioner** or other health care professional for,
- had tests, investigations, care, treatment or medical attention including surgery for,
- been admitted to **Hospital** for (including emergency department or day surgery procedure), or
- became aware of or which a reasonable person in the circumstances would have been aware of.

It includes but is not limited to:

- the suffering or treatment of **Mental illness**,
- a brain, heart (such as any cardiovascular or coronary heart disease or any condition related to a heart or blood vessels), kidney, liver, respiratory, circulatory (such as high blood pressure, stroke, or transient ischaemic attack), cancer or cancerous condition,
- reduced or deficient immune system,
- a sign or symptom of the above matters,
- an allergy or food intolerance,
- a persistent and lasting health condition such as constant pain or long-suffering pain or pain with a pattern of relapse and remission, or
- any conditions related to previous and current pregnancy as detailed below in “What is a **Pregnancy condition?**”, and [Pregnancy Cover](#) on page 16.

What is a Pregnancy condition?

A **Pregnancy condition** means **You** are pregnant and any of the following circumstances apply to **You**:

- **You** are experiencing complications with the pregnancy that fall within the definition of Complications of pregnancy and childbirth in Table 1.1 on page 17, or
- **You** experienced complications with any previous pregnancy that fall within the definition of Complications of pregnancy and childbirth in Table 1.1 on page 17, or
- **You** are having multiple children (e.g. twins, triplets or more), or
- **Your** conception was medically assisted (e.g. hormone therapy or IVF).

Our screening process

To apply for cover in relation to any **Medical condition** and/or **Pregnancy condition** You need to do the following:

Step 1 - When You apply for cover

If **You** have or have had any such conditions during the period of 3 years prior to **Your Policy** issue date **You** need to complete **Our** online or over the phone medical screening process as part of **Your** application for cover. The medical screening may also include questions about **Your** general health.

If **We** are able to provide cover in relation to the conditions **You** disclose, **We** will tell **You**, and if **You** want the cover **You** will need to pay the additional premium **We** apply for the cover by the time required, and **We** will list the conditions as covered on **Your Certificate of insurance**.

If **We** do not list such conditions as covered (or **You** do not disclose any such condition to **Us**), there is no cover provided in relation to it (to the extent permitted by applicable law).

Step 2 – After purchase and any Changes in health occurs

If any **Changes in health** occurs (see explanation below) after **Your Policy** issue date and before the date of departure for **Your Trip**, **You** need to contact **Us** and undertake a further screening process to determine what premium adjustment may be required.

This is because **We** automatically exclude cover for:

- any new **Medical conditions** or **Pregnancy conditions** that occur after **Your Policy** issue date and before the date of departure for **Your Trip**, and
- all conditions **We** have listed as covered on the **Certificate of insurance** where **Changes in health** have occurred after **Your Policy** issue date and before the date of departure for **Your Trip** (other than for a claim under [Benefit 5: Trip Cancellation Expenses](#), relating to the cancellation or rescheduling of **Your Trip** between the time of **Your Policy** issue date and the date of departure for **Your Trip**).

See [General Exclusions that apply to all benefits](#), in particular **General Exclusion 20**.

Based on the rescreening **We** may (to the extent permitted by applicable law):

- Agree to provide cover for the existing listed conditions and add the new listed conditions as covered. **You** may choose to accept this cover or not. If **You** do not, **You** will not be covered in relation to the conditions not listed as covered, or
- Not agree to provide cover, where based on the changes, **Our** underwriting rules require **Us** to do so.

On being advised of the changes, **We** will adjust the premium payable (up or down) to reflect the premium that is payable by reason of the changes in accordance with **Our** underwriting rules.

Remember, if further **Changes in health** occur before the date of departure for **Your Trip**, **You** may need to undertake this screening process more than once as the above **Changes in health** exclusion would automatically apply again from the time any further **Changes in health** occur.

In all of the above cases, if **You** are not happy with **Our** decision **You** may exercise **Your** cooling off rights where applicable or cancel the **Policy** before the date of departure for **Your Trip** and obtain a refund in accordance with the **Policy** terms.

What are Changes in health?

See **Changes in health** special meaning for details, but by way of limited example **Changes in health** includes:

- the occurrence of any new **Medical condition** after **Your Policy** issue date and before the date of departure for **Your Trip**, or
- advice from a **Medical practitioner** that **You** or a relevant person are not fit to travel, including on **Your Trip**, or
- the stated answers on **Your Certificate of insurance** regarding any **Medical condition** or **Pregnancy condition** listed on **Your Certificate of insurance** are no longer correct or up to date, or
- any change in the diagnosis, prognosis, treatment or medication (including dose) of a **Medical condition** or **Pregnancy condition** listed on **Your Certificate of insurance**, or
- any change in the diagnosis, prognosis, treatment or medication (including dose) of a **Medical condition** which **You** had more than 3 years prior to the **Policy** purchase date, or
- any unexpected admissions to **Hospital** or surgery for any **Medical condition** or **Pregnancy condition** listed on **Your Certificate of insurance**.

You must have confirmation that You are fit to travel

Before the date of departure for **Your Trip**, **You** must have written confirmation from **Your Medical practitioner** that **You** are fit to travel for any **Changes in health** listed as covered on **Your Certificate of insurance**. The written confirmation does not need to be sent to **Us**, however it may be required in the event of a claim.

What We need from You to complete a medical screening

You will need reasonable knowledge of all of **Your Medical conditions**, **Pregnancy conditions** or **Changes in health**, which include but are not limited to, the names of **Your Medical conditions** or **Pregnancy conditions**.

Check with **Your Medical practitioner** if **You** are unsure of the name because **You** will not be able to complete the medical screening if **You** only know the medication **You** are taking or the treatment **You** are receiving.

As some **Medical conditions** may be interconnected, **You** must declare all of **Your Medical conditions**, **Pregnancy conditions** or **Changes in health**, regardless of whether or not **You**:

- Want cover for them, or
- Consider them treated, dormant or under control, or
- Do not consider them important or related to any of **Your** other conditions.

If **You** do not declare all of **Your Medical conditions** or **Pregnancy conditions**, **You** may not have cover for **Your Medical conditions** or **Pregnancy conditions** that are listed as covered on **Your Certificate of insurance**.

Pregnancy cover

We cover for **You** unexpected serious Complications of pregnancy and childbirth (see Table 1.1 on page 17 for **Our** definition of Complications of pregnancy and childbirth) that occur:

- Up to the end of the 23rd week of pregnancy if **You** are pregnant with a single child; or
- Up to the end of the 19th week of pregnancy if **You** are pregnant with twins or multiple children.

Cover is subject to the conditions and exclusions described below and all other applicable terms and conditions, exclusions and limitations of the **Policy**.

We do not cover any claims under the **Policy** benefits **Arising** from a **Pregnancy condition** that existed during:

- the period of 3 years prior to **Your Policy** issue date; or
- the period between the time of **Your Policy** issue date and the date of departure for **Your Trip** (other than for a claim under [Benefit 5: Trip Cancellation Expenses](#), relating to the cancellation or rescheduling of **Your Trip** between the time of **Your Policy** issue date and the date of departure for **Your Trip**),

unless **We** agree to list the relevant **Pregnancy condition** as covered on **Your Certificate of insurance**. If any **Changes in health** occur after **We** have listed any **Pregnancy condition** as covered and before the date of departure for **Your Trip**, the cover for those listed conditions is automatically excluded from that time unless **You** undertake an additional medical screening, and **We** agree to list them as covered. Such cover is subject to the other terms and conditions (including exclusions and limits) of the **Policy** which may otherwise affect cover. Any rights **We** have will only be exercised to the extent permitted by applicable law.

Whether **We** list a **Pregnancy condition** as covered or not, **We** will not pay any claim or loss directly or indirectly related to or **Arising** from:

- **Your** pregnancy or the pregnancy of any other person after the end of the:
 - 23rd week of pregnancy with a single child; or
 - 19th week of pregnancy with multiple children,
- Childbirth unless it is due to the listed Complications of pregnancy and childbirth in Table 1.1 on page 17 and it is listed on **Your Certificate of insurance** as a covered condition, or **You** have been diagnosed for these complications during **Your Trip**,
- The health or care of a newborn child whatever the cause of the claim is (if **You** deliver **Overseas** for any reason, including premature birth, there is no cover for costs related to caring for the child or children), or
- Antenatal care, including medications and vitamins.

Also see [General Exclusions that apply to all benefits](#) on pages 90 to 95.

Any rights **We** have will only be exercised to the extent permitted by applicable law.

Limits for Unspecified items

The maximum **We** will pay for all **Unspecified items** combined depends on **Your Policy** as described in the Benefit Summary above. The maximum **We** will pay for any single **Unspecified items** or set is:

These declared items are called **Specified high value** items and will be listed on **Your Certificate of insurance**.

Separately insuring **Specified high value items** does not affect the overall **Luggage and personal effects** limits for **Your Policy**, as this limit is for all **Unspecified items** and **Specified high value items** combined.

Limits for Specified high value items

We will pay up to the cost price of the item, to the maximum limit of \$5,000 for any single **Specified high value item** or set, provided the total of all **Specified high value items** does not exceed \$10,000.

Jewellery, watches (other than Smart watches), fragile or brittle items, bicycles and watercraft (other than surfboards) cannot be declared as **Specified high value items**.

In cases where a guarantee of payment was provided by **Us** to a provider and further evidence supports that the claims are not covered under **Your Policy**, **We** may require payment to be made by **You** to the provider.

Salvage

If required, **You** must send to **Our** claims department any damaged items for evaluation or salvage purposes. After a claim has been settled, any salvage **You** have sent to **Our** claims department will become **Our** property.

Goods and Services Tax

How GST affects **Your** claim if **You** are a business traveller

If **You** are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if **You** were to incur the relevant cost (i.e. in replacing a **Lost** or stolen item), the amount **We** would otherwise pay will be reduced by the amount of that input tax credit.

Travel within Australia only

If **You** are entitled to claim an input tax credit in respect of **Your** premium **You** must inform **Us** of the amount of that input tax credit (as a percentage) at the time **You** first make a claim. If **You** fail to do so, **You** may have a liability for GST if **We** pay **You** an amount under this **Policy**.

Fraudulent claims and misleading conduct

Submitting an insurance claim that is not true, correct, did not occur, is misleading or exaggerated is a criminal offence under Australian Law and can lead to prosecutions. If **You** submit a claim which is fraudulent, or false in any respect, or there is a material alteration in the risk, **We** may deny part of, or all of the claim, to the extent permitted by law. If **You**, or someone authorised and acting for **You**, submits to **Us** any false or misleading information **You** may be prosecuted. Additionally, **Your Policy** may be cancelled by **Us** under the law and no refund of premium will be made.

Insurance fraud and fraudulent claims force the cost of **Your** insurance to increase. For the community and **Your** benefit, **We** encourage **You** to assist in reducing insurance fraud by reporting it to:
